

## The Bostonians (Illustrated)

The plot of this novel revolves around the feminist movement in Boston in the 1870s. F.R. Leavis called it one of the two most brilliant novels in the language. The novels many allusions to the historical and social background of Boston society are explained in the editorial material. ABOUT THE SERIES: For over 100 years Oxford Worlds Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxfords commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
